SKI PLANES**

NEW: HELICOPTER FLIGHTS! MOUNT COOK SKI PLANES

AORAKI / MOUNT COOK

NEW: Mount Cook Ski Planes now offer spectacular Helicopter Flights (operated by Heliworks Queenstown Helicopters Ltd). We are the only company licensed to land in Aoraki/Mount Cook National Park on the Tasman Glacier, the longest glacier in New Zealand.

GLACIER LANDING SCENIC FLIGHTS by Helicopter:

Glacier Highlights (HCA1)

Fly the length of the Tasman Glacier to view spectacular scenery and majestic mountains that seem almost close enough to touch. Land on the glacier and absorb the tranquility of this pristine alpine environment.

Duration: Approx. 40 minutes
Includes glacier snow landing.
NZ\$ 375.00 per adult,
NZ\$ 275.00 per child

Grand Circle (HCA2)

Panoramic views of the Southern Alps. See majestic Aoraki/Mt Cook at close range, then fly across the Main Divide for an overview of the West Coast glaciers - the Fox and Franz Josef Glaciers, re-crossing the Main Divide to the mighty Tasman Glacier. Experience the unique thrill of a landing on one of these three great glaciers.

Duration: Approx. 55 minutes
Includes glacier snow landing.
NZ\$ 495.00 per adult,
NZ\$ 375.00 per child

SCENIC FLIGHTS by Helicopter:

Mini Tasman (HCA4)

Fly alongside the Liebig Range and Murchison Glacier, then over the Tasman Glacier and past the spectacular Hochstetter Icefall below Aoraki/Mt Cook.

Duration: Approx. 25 minutes
NZ\$ 255.00 per adult,
NZ\$ 210.00 per child

Alpine Wonderland (HCA3)

A spectacular overview of the Southern Alps. Fly over the mighty Fox and Franz Josef Glaciers and around the towering peaks of Aoraki/Mt Cook and Mount Tasman.

Duration: Approx. 45 minutes
NZ\$ 345.00 per adult,
NZ\$ 255.00 per child

All our landing flights allow you to experience the thrill of a Helicopter Glacier Landing with 10 minutes on the snow to enjoy the spectacular scenery of the Southern Alps.

Rates valid until
30 Sept. 2010
